

Great Clubs. Great Team.

Do you think Boys & Girls Clubs of Central Sonoma County is a GREAT place to work?

Well, say so and you may be eligible for up to a \$150 bonus!

As a Boys & Girls Clubs Team Member, you are vital to the success of our work! Every day you are changing lives and strengthening our community. Thank you! Because of you, we have gone from serving 300 youth per day to nearly 3,000 every day. In order to continue to realize our Vision of bringing Hope and Opportunity to the Youth of our County, **we need more people just like you!**

We need you to tell your friends about the great work we are doing and invite them to join our team! Your referrals could be an important part of our continued success. We invite you to **recruit the people you know who have exceptional qualities** and skills demonstrated by you and our other Boys & Girls Clubs team members.

To refer a candidate, it's simple.

Step 1 - Send an email to referrals@bgccsc.org and give us the name of your referral. Include a sentence or two about why you think your contact will be a good fit for our organization. Also include what position/s you are recommending them for.

Step 2 - Tell your friend about us! Give them the email address: referrals@bgccsc.org as a special referral-only way to apply for a position with us. Tell them they can go to our website at bgccsc.org or directly to craigslist.org to find our current openings.

Ask them to mention your name in their email and make sure they include a cover letter and resume for the best results.

If your referral is a first-time applicant and is hired, **you will be rewarded for your help in growing our great team** by earning a \$50 referral award for a referral that is hired for a part-time position and \$150 for a referral hired for a full-time position. You will receive the referral award when your referral reaches completion of their first thirty days.

Thanks in advance!
